\*Limited info available in searches.

**Source:**

Most states and some jurisdictions are listed on this [resource](#) and can also be used to locate the most up to date information.

**Disclaimer:**

The COVID-19 crisis, including the nature of the virus itself and the treatments/vaccines, continue to evolve at a rapid pace, as do related best practices, legislative and regulatory requirements, federal, state and local guidance, and the latest science on transmission, testing, and immunity. This document provides information available at the time of drafting. Given the pace of developments, however, this document may contain information that is no longer applicable. Please always consult your own legal counsel and other advisors with specific questions about COVID-19 and the return to work process.
